

# DEVONPORT RSA

December 2025

## Presidents Newsletter

Kia ora all, the club has had a productive few months with the hall hosting various community events and a strong turnout for Remembrance Day. Feedback was positive about recognising those lost in recent New Zealand conflicts. Thanks to CDR Fiona Jameson, RNZN, for a very insightful speech on recent deployments, and to Milla, Jessie, Celine Wu, Padre Hay, the RNZN Piper, and the Navy recruits for their impressive contributions to the service.
